

Walking with Wildflowers

Spring 2010

Stanthorpe
Rare
Wildflower
Consortium

Stanthorpe's Rare Wildflower Consortium is again preparing to host three Wildflower Walks this coming 2010 spring/summer season. For the past five years these walks have been immensely popular with locals and visitors to the area. The walks are open to anyone interested in learning more about the unique local flora of the Granite Belt.

1

Sunday 29th August

Amiens State Forest
Meet outside Amiens State School
1137 Amiens Rd, Amiens
at 9:30am

2

Sunday 19th September
